BRIEF CONCEPT

by Event x Expo Group

The image features a dark blue background with several thin, light blue curved lines in the top right and bottom left corners, creating a sense of motion and depth. The text is centered in the middle of the frame.

Where **Innovation**
Meets **Motion**

e-Logi Fest25

At the crossroads of **Europe, the Middle East, and Asia**, **Armenia** offers a unique strategic advantage for businesses looking to expand and connect across key markets, giving the country a huge potential for contributing to regional and global e-commerce supply chains and logistics routes.

E-Logi Fest25 is an annual expo and summit in Armenia focused on logistics and e-commerce, bringing together local and international decision-makers, buyers, suppliers, and investors to build partnerships and develop new logistic routes.

Join us and be among the first to shape Armenia's logistics industry.

ABOUT EVENT

EXPO IS BUSINESS

Expo is dedicated to be the leading annual platform for new business generation, inspiring innovative logistics routes and boosting global dynamics in regional logistics and e-commerce.

We will bring together under one roof major Armenian, regional and international players of the industry, all with significant decision-making authority.

This will create opportunities for forging new agreements and expanding your network.

SUMMIT IS PLATFORM FOR KNOWLEDGE

Every year the Summit will bring together world famous experts from the most innovative e-commerce and logistics businesses to share their insights, best practices, knowledge, experiences and concerns through debates, panel discussions and presentations.

HACKATHON – A PLATFORM FOR INNOVATION

The Last Mile Drone Delivery Hackathon, held as part of e-Logi Fest25, will bring together talented developers, engineers, and technology experts. Participants will create innovative last-mile delivery solutions using drones, competing for valuable prizes and the opportunity to collaborate with leading industry companies.
